

## **DANCE STUDIO**

Located on the first floor at the rear of the Tabernacle, the Dance studio is a large space that has been specially equipped for use by all forms of dance, exercise and activity class. This light and airy room is fully air conditioned, has sprung wooden floors and full length mirrors/ballet bars running along its span. It is a popular space with a wide range of classes being held in the Dance Studio on a weekly basis throughout the year, including some resident companies.

8.8 x 18.5m (27 x 61ft)
